

WEST MARINE LEAGUE WILL STAGE FINALS AT LEUZINGER

Change Made in Schedule of Track Events to Give New League Opportunity to Hold Preliminaries and Finals Among Members of This Group

West Marine League will have a preliminary and final meet of its own this spring, according to arrangements which have just been completed. It will also participate in the regular Marine League events as scheduled, since the division of the old Marine League into two units will not be officially completed until after the finals this year.

The West Marine events will be held at Leuzinger high school in Hawthorne, the preliminary try-outs coming on Tuesday, April 17, and the finals on Friday, April 20. In place of the regular triangular meets which had been set for that day.

It is probable that North Long Beach will not enter in these events, but the other five teams, Torrance, Narbonne, Gardena, El Segundo and Leuzinger, will compete.

Winners in the West Marine finals will go into the regular Marine League meets, to be held as follows: Preliminaries, Class B, April 24; finals, April 27. Preliminaries Class A (varsity), May 1; finals, May 3. The Southern California preliminaries will be run off May 12.

Torrance is expected to show up well in the Southern Cal events this year. Zamperini is expected to place first in the mile although there are several youths in the district who may crowd him. However, Louie has yet to meet some one who could really give him a race, and if he is pushed a bit he is expected to show up well in last Friday's meet with Narbonne and North Long Beach, while under the present state mark is not recognized as official as only records made in a meet held under the supervision of the A. A. U., such as the Southern California finals, are set down in the book.

Hubert Luck is running the 440 in great style this year and should place in the S. C. finals. LaVerne Jones, has a good chance to place in the 880. "Bullet" Bob Wertz runs a mean 220. Ishikawa is a crack low hurdler and may place in that event as well as in the pole vault. He may also crack the broad jump record this year.

Russo and Wood did 5 feet 7 1/2 inches in the high jump last Friday, which is a good mark for prep athletes.

An entire new set of records is expected to be set up in the West

Marine finals, and possibly some new records in the Marine League. Torrance is weak only in the shot put and high hurdles. The Tartars can be expected to place in all other events, as the track team this year is functioning well in all departments.

Torrance fans who are interested in this type of sports should make it a point to attend some of these meets, to see some of the prospective champions in action.

Chess Director Contestant In Important Game

Believe it or not, chess must be interesting because a local man sat in on one game for four and one-half hours. And the game is not yet ended. After the 37th move the next move was sealed.

The game, known as a "consultation game," requires two players on each side. It was played at the following: Dr. Sawyer and C. H. Richards, of Pasadena, and Alfred L. Paul, Torrance, and Adolf Chern, Hollywood.

Mr. Paul, the local man on the team, is playing correspondence games with chess experts in England, South Africa, Australia, as well as in the states. He also plays blindfolded and simultaneous games with several players. In connection with local recreational work, Mr. Paul is conducting free classes for chess beginners as well as advanced chess fans. Everyone interested in chess is invited to attend these free classes each Tuesday evening at Mr. Paul's residence, 1812 Arlington avenue, Torrance.

On his first try, Marty equaled his own world record jump of 6 feet 8 3/4 inches. Marty is shown above as he skimmed over the cross bar for his new record.

The boys on the team are Joe DiSario, Jimmy Shidler, Roger McGinnis and Jim Grubbs. The schedule: April 16—Torrance vs. Leuzinger at Western Avenue. April 23—Torrance vs. Bell at Western Avenue. SCHOOL RECORDS FALL IN MEET HELD HERE FRIDAY AFTERNOON

Tartars Clean Up On Narbonne By 13 Points, North Long Beach Is Outclassed; Zamperini Lowers State Record For the Mile

No less than eight school records were broken last Friday in the triangular meet between the Torrance Tartars, Narbonne Gauchos and North Long Beach, in which Torrance emerged victorious with a total of 65.5-6 points, Narbonne second with 52.3-3 and the Jordan boys with 7 1/2.

New Sign Erected At H School Field

For the benefit of those who are not aware that Torrance high school athletic field has been named "Wood's Field" after Herbert S. Wood, former principal, a handsome gold-lettered sign to that effect appeared this week over the main entrance to the field. The improvement has been made possible through the efforts of the student council of the Torrance high school and the sign painting class at Frank Wiggins Trade school.

BOWKER'S BOYS WIN OPENER AGAINST ANAHEIM ON SUNDAY

Joe Storti Holds Invader to Six Scattered Blows; Anaheim Fielder Electrifies Fans By Bunting One-handed Catch

Tommy Bowker's Torrance Merchants walked away with the opening game in the new league set-up last Sunday, defeating Anaheim here by a score of 9 to 1. Joe Storti pitched a great game for the locals, allowing only six hits which were well scattered. Hops, left fielder for the Anaheim team, furnished the thrills of the afternoon by pulling down a line drive in the fifth and again in the sixth inning, making a great one-handed catch up against the left field fence.

Kiwanians and Rotarians Get Big-Hearted; to Buy Uniforms

The Torrance high school track team is going to be outfitted with uniforms. At a meeting of the Kiwanis Club last Monday night, the matter was presented so vigorously by one of the members that the club voted to purchase complete outfits of shirts and shorts for the team. Their action was speeded up when an out-of-town visitor, impressed by the stirring appeal of the local Kiwanian, offered to buy one uniform and pay for it out of his own pocket. Kiwanis then got enthusiastic and voted the purchase. The Rotarians, not to be outdone, voted to stand half the expense. When Coach Bernard J. Donahue was informed of this action on Tuesday morning, he informed the groups that on the strength of publicity given the situation a week ago in this newspaper, the board of education has dug up enough track pants to outfit 15 boys. So the Kiwanis and Rotary will have to buy only the shirts. The order will be placed with a local merchant immediately so that when the lads appear on the field in the preliminaries and finals of coming important meets they will be dressed as well as any other team. The matter is rather more important than the average person may think, as Torrance this year has a good chance to annex a world's high school record, and certainly looks forward to bringing home the state championship this spring when Zamperini meets the best of the milers in the Southern California finals in May and in the state finals at Berkeley later on. There is no doubt but that in this had Torrance has one of the most spectacular performers its track teams has ever had, and a little matter of a uniform to let the public know where he is from and who he represents is not to be neglected. Torrance will not only achieve

Narbonne Tennis Squad Prepares For League Series

The tennis teams of Narbonne high hope to be ready for league competition soon. The teams, under the direction of Jack Weber, playing manager, are starting a school tournament to decide who will represent the Gauchos. Returning lettermen are Jack Weber and George Taylor. Other boys out for the teams are Clyde Beckley, Harold Smith, Neil Haynes, Louis Irvine, Wilbur Maddy and Joe Wales. From this group two teams for doubles and two singles teams will be picked. The tennis schedule will be the same as the baseball schedule, with both teams playing on the same dates and at the same schools.

Pete Zamperini Entered in Mile At Berkeley Meet

Pete Zamperini has been picked to represent Compton Junior college in the mile in the combined junior colleges and University of California meet at Berkeley next Saturday. Pete has run the mile this year in 4:28, the best time yet made by a junior college man. In the Berkeley meet he will go against Rafferty who won from Benavidez of U. S. C. recently, in 4:24.7.

Arena Arrested On Disturbance Charge

Fred Arena, central figure in a mysterious assault case several months ago, in which he was left for dead beside a highway in Long Beach, was arrested last Saturday night on a charge of creating a disturbance at a local restaurant. His trial on the charge will be held next Saturday morning at 10 o'clock in the city police court.

BLUEBIRDS SHOW UP WELL IN PRACTICE GAME HERE FRIDAY

Opening of National Night Baseball League Season Is Less Than a Month Away; San Berdoos Here April 20 for Practice Tilt

Enough rookies showed up Friday night to make up a team against Spud Murphy's Bluebirds in their first practice game of the season and the rooks gave the Birds a swell time by holding them to a 1-1 score in five innings. Manager Spud is enthusiastic over the showing made by the Birds however, and says he has the greatest combination in the world for the start of the National League season on May 15.

Several candidates are trying for the first base position, left vacant in the absence of Walter Wolfe who has gone to Modesto, and all of them are so good that it is going to be a hard matter to decide who is going to get the call. At present rating it looks like Dominic Lorenzi, a lad from San Pedro, who can hit as well as cover his position.

Ed Stamper of Wilmington, McCune of Torrance, who can also fill in behind the bat, and Carl Burmaster are among the aspirants for first. Carl poked out a homer for the rooks' score, Friday night.

On second, Spud will have either Tony Allaso or Red Moon, either of whom can fill the bill, or play the outfield fully well. Paul Vonderhabe will cover short. Dangerous Dan McGrew Leonard has the third sack. Campbell or Poncho Babcock will catch. Louis the Great Neva and young Pete Hargis will have the mound duty. Let's hand which gave him a lot of trouble last season is now fully recovered and the batters will see a lot of fancy twists and speed.

The league season will start May 15. In the meantime several practice games have been scheduled. The Birds will meet San Bernardino here on April 20. Price of admission for the practice games will be 10 cents.
